

**Regular Infant Formulas:
Medi-Cal Non-Benefit Status-TAR2
November 2006**

Regular infant formula is **NOT** a benefit of the CCS Program. These formulas are designed to meet normal nutritional needs and are considered regular food. **All of the following formulas are regular infant formulas which are not covered by CCS.** Regular infant formulas highlighted in green can be obtained from WIC. Enfamil AR LIPIL and Nestle Good Start Supreme are non-contract WIC formulas and therefore require a prescription, as noted in the chart below. **Refer CCS clients to WIC, when appropriate.**
